

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Applicant(s)	: Werner et al.	Customer No.	: 21003
Serial No.	: 10/585,215	Confirmation No.	: TBD
Filed	: 06/30/2006	Group Art Unit	: TBD
Examiner	: TBD		
For	: Use Of A Metal Complex As An N-Dopant For An Organic Semiconducting Matrix Material, Organic Semiconducting Material And Electronic Component, And Also A Dopant And Ligand And Process For Producing Same		

INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), applicants bring to the attention of the Examiner the documents listed on the attached Form PTO 1449 and respectfully request that the listed documents be considered by the Examiner and made of record in the above-captioned application.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed documents are material or constitute "prior art." If the Examiner applies the documents as prior art against any claim in the application and applicants determine that the cited documents do not constitute "prior art" under United States law, applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of the documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should the documents be applied against the claims of the present application.

This Information Disclosure Statement is being filed before the mailing date of a first office action. Therefore, applicants believe no fee is due with this submission. However, if any fee is due, the Commissioner is authorized to charge any such fee or credit any overpayment, to our Deposit Account No. 02-4377.

Respectfully submitted,

BAKER BOTTS L.L.P.

A handwritten signature in dark ink, appearing to read 'Manu J. Tejwani', is written over a horizontal line.
